Bad Guy Strolls Off As Good Guys Duel

MIAMI (AP)—A store owner and a policeman, each thinking the other was a burglar, fought a gun battle yesterday while the real burglar calmly walked away.

Herman Wooten, 32, operator of a dry cleaning shop, spotted the burglar through the front window, fired at him, then ran around to the back.

Policeman Walter Davis, 23, heard the shot and came running. He and Wooten rounded the rear of the building at the same time.

Pow, pow, pow, went the pistols.

When other police arrived, there was no sign of the burglar.

Wooten was shot once in each leg and once in the side. Davis was hit in both legs. Neither was hurt seriously.
